## Winterwind – Exhibitor instructions

Here's all you need to know on being an Exhibitor at Winterwinds digital conference on Hopin! You will be able to have your company's logo, a customized background, pre-recorded video, a Youtube playlist or a live stream video. And of course links to your website, social media platforms, a customized Call-to-action button, a special offer text and a chat with your visitors!

**Customize your booth! Here you can read all about your options as an exhibitor.**

- **Vendor Name.** The name of the company, product, idea, or content. For example, a vendor name could be "Acme Co" or "Sign up list." It's up to you and your use case.
- **Vendor Email.** The email where all emails from attendees who click the *Register Interest* button will be delivered.
- **Vendor Headline.** Any short text about the vendor, e.g. vendor motto or key message.

**Add Booth** [Back to Booths](#)

- **Live Preview (Desktop).** Real-time preview for the Expo Booth size Background image and Logo. Make sure to have the Background and Logo image content center-aligned to fit multiple screen sizes. **Tip:** Check our [guide on Image dimensions](#) to make sure your images fit just right across the event.
- **About.** A few words to make the booth more descriptive for the event attendees.
- **Tags.** Labels or filters to sort booths by categories and help attendees to quickly navigate through multiple booths during the event.
- **Content Provider.** There are multiple ways to display content on the Expo.

**Pre-recorded videos.** You can place pre-recorded videos from YouTube, Vimeo, or Wistia on the Expo. Select the *Content provider*, choose the provider, and paste the video ID from the hyperlink. Click Save. **Note:** only add the video ID, which is at the end of the URL. E.g. for the YouTube URL <https://www.youtube.com/watch?v=LXb3EKWslnQ> please use only LXb3EKWslnQ -- the part after the "=" symbol.

**YouTube playlist.** Adding a YouTube playlist will let attendees select which video(s) they want to watch. **Note:** The playlist link must include <https://www.youtube.com/playlist?list=>

**YouTube Live Stream video.** Go Live with your camera or via RTMP on [YouTube Studio](#), then send the stream to your Expo Booth on Hopin.

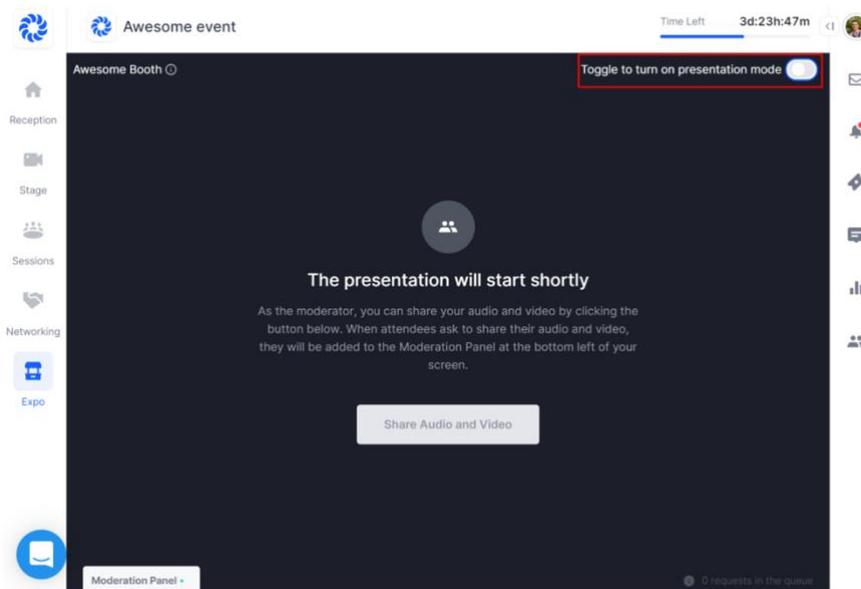

- **Live stream video.** If you want to have a live stream video in your booth, organizers need to assign a moderator for your booth to let the vendors control attendees who will be on or off screen during a live Session with the vendor.

### Content Provider

Booth video / content provider **required**

Select Moderator **Optional**

- **Fallback provider** (presentation mode). Once the Booth content provider is set to *Session* the *Fallback provider* option will become available. Fallback provider is a video from YouTube, Vimeo, Wistia or Google Slides that are displayed while there is no one live on the Booth set to Session. Organizers can also toggle Fallback provider **ON** or **OFF** any time.

### Content Provider
